

Brand New Childcare Centre for Lease - Auckland

Want to establish a childcare in a brand-new centre in a great South Auckland location? Here is an exciting opportunity to work with the building owner to bring a new 50-licence childcare centre to life.

The project is currently progressing through the consenting process, with architectural plans completed by a leading NZ childcare architect. Construction has not yet commenced, providing the right operator with an opportunity to get involved early and work alongside the owner as the project progresses.

The proposed centre is designed for approximately 50 children, including purpose-designed areas including baby, toddler and preschool rooms, reception, kitchen, resource areas, laundry and staff facilities.

The centre is positioned within an established residential area of South Auckland with a lot of new housing developments to come to the area and a high demographic of young families.

A long-term lease is available, with lease terms to be discussed with the owner.

Price Long term lease available
