

PTE, Cat.2, TEC Funded, 2 x North Island Campuses

Established in 1992, this well-known Category 2 Private Training Establishment (PTE) is registered and accredited by the New Zealand Qualification Authority (NZQA). With 2 great locations in the North Island, this organisation has forged an excellent reputation by providing quality foundational and vocational courses across many sectors (ECE, Hospo, WLN/LLN, etc.)

The business is run by an active Managing Director and a team of 30+ full-time/part-time staff and contractors in different roles.

Should you wish to expand the business further, there is significant opportunity to do so, and these opportunities will be discussed directly with the vendor.

The vendor will ensure a complete handover and may be available to stay on board for at least three months in a consultative role.

The PTE industry has many barriers to entry. We feel this business might suit someone who wants to enter the market straight away by acquiring a substantial PTE and/or another
