

Market Leading Specialist Engineering Business

Well-established specialist engineering business with distribution, retail and service operations. The business has built a dominant position within its Auckland market and is a preferred service supplier to its specialist client base.

- 2026 Sales $6.7m – EBPITD $1m – Net Profit $847k
- 2027 YTD sales to September up $1m on 2026
- Exclusive distributor for a number of leading brands
- Stock approximately $1.8m ±25%

The business combines a specialist engineering operation with significant product distribution and retail sales. Its established market position, loyal client base and exclusive brands provide a platform that would be difficult for a new entrant to replicate.

Industry-leading systems provide strong operational control and efficiencies, supporting client retention and profitability. An experienced team is in place, allowing a purchaser to acquire an established, profitable operation with continued growth.

The working vendor is seeking to retire and is available to
