To whom it may concern

Craig Miller of Barker Business Brokers was involved in selling our business. Our experience of dealing with Barker Business Brokers and Craig as the primary agent in this assignment was excellent. Craig is very professional and effective in the role he played.

With Craig's assistance, we were successful in selling our business in a market which was difficult to say the least.

We would have no hesitation in recommending Craig as an excellent broker to deal with when buying or selling a business.
