Dear Brett:

Just a short note to express my appreciation for your work in connection with our efforts to acquire Pilot NZ Limited, Pilot Meat Processors, and NZ Farm Co. Even though you represented the vendor and not us, we were most impressed with the way you handled every aspect of the process.

As you know, I've spent over 15 years working with businesses and their owners, first as a lawyer in the U.S., and more recently as an investor. I've had the opportunity to work with quite a large number of professionals along the way, and I can say without reservation that it's all too rare to run across someone with your combination of enthusiasm, business acumen, and integrity. From spending time with Neil, Lynn, and Craig, it's clear that you all have put together a first rate team at Barker Business Brokerage.

We look forward to a long and prosperous relationship.

Sincerely yours,

TORTOLA PARTNERS, LLC
