Dear Brett, Neil and Lynne Barker,

I would like to thank you for the professional way you sold our business.

Brett you always kept us informed all the way through the process from start to finish. You "uncomplicated " some of the many obstacles that we came across and gave us good solid advice when we were far too emotionally tied up to think straight.

We would be more than happy to recommend your company to any prospective clients.

Since selling Treecare Services Lynne and myself are enjoying our change of lifestyle here in Queenstown.

Thanks again for helping to make it possible. Call in when you are down this way we'd love to see you.

Best regards

Anthony Fleming
