Dear Alan,

I'd just like to take this opportunity to thank you so much in helping us sell our business. It was a challenging process with some unexpected curve balls, without your hard work over and above what I'd expect from a business broker we'd have struggled getting it across the line.

We'd have no hesitation recommending you to anyone wanting to sell their business and wish you all the very best in the future.

Warm Regards,

Brad and Tamsin Clark.
