Re: Paul Moulten

We had the pleasure of employing Paul through his company, Barkers Business Brokerage, to sell our Business, Leader Scissors N.Z. Ltd. This was an Import, Wholesale, Distribution operation covering New Zealand with Sales Reps and Wholesale clients.

From our initial contact with Paul he displayed superior vitality, enthusiasm and total belief in the operation and saleability of our business. Follow up and commitment to maintaining contact was exceptional.

Paul at all times showed a thorough and professional knowledge of all facets of the sales process, discipline and honesty that would be involved in effecting a satisfactory outcome for us.

During the sale process and the negotiations involved, Paul again showed his extraordinary skills in guiding the process to a successful and satisfying conclusion for both buyer and seller.

Without hesitation we strongly recommend Paul to be involved, for any person contemplating the buying or selling of a business.

Yours Truly

Ric and Lynne Lydford
