To whom it may concern,

Alan Dufty of Barker Business Brokerage recently assisted us in the sale of our fast food franchise.

Alan worked tirelessly to make sure that every aspect of the sale was looked after. He worked outside of normal business hours and on weekends to locate and negotiate with a buyer.

Being part of a franchise meant that extra restrictions and scrutiny were placed upon any potential purchaser. Alan worked with us, the purchaser and our head office to obtain the best possible outcome.

Alan is a very genuine businessman. We were kept well informed throughout the whole process. His communication was prompt and professional, and he works with integrity.

I would not hesitate to recommend Alan Dufty to anyone looking to list their business.

Regards,

Robert Marson
