To Whom It May Concern

We have been informed by a friend that if you want good and personal service Alan Dufty from Barker Business Brokers Ltd is a person to appoint.

After our initial meeting Alan came back within a week with interested buyers, at that stage we finalised all the documentation and assignments and arrange to meet with the prospective buyers.

Alan gave us good advice and we never felt not been looked after, throughout the process with many different buyers Alan stayed in touch and assist wherever possible or needed.

Eventually after about five offers the business was sold within a period of 8 weeks.

We did not give sole agency to Alan due to the fact that we already has other agents appointed on a general agency at the time we have been informed about Alan.

With our experience with Alan we will not hesitate in future to cancel general agency and just assign sole agency to him.

If we ever have the opportunity to buy or sell we will get in touch with Alan Dufty.

If I can help with any further telephone enquiries about this reference you are welcome to call.
