

SOUND Service Biz, EBPIDT 2018 *\$730,000

Located on Auckland's North Shore, this busy service business has established itself as a stand out player in the industry and with a *\$730,000 cash surplus, it's very profitable!

The consistent cash flow results in low working capital requirements. Recent investment in equipment plus extensive time spent by the owners implementing the best systems really makes this a great business to consider.

They have created strong brand awareness within the range of industries they work in by providing exceptional service to a reliable customer base around Auckland. The bulk of the business is B2B dealing with a range of commercial clients and some residential customers. This business really is a step above a lot of the competition which adds to its desirability and helps to secure plenty of work, often as a preferred supplier.

There are experienced, reliable industry certified staff and contractors on hand including team leaders, who take care of the physical day to day 'hands on' work which will allow the new owner of this business time to get to know the trade and focus on their new General Management role. The business
