

Childcare with 4 Year ERO, Beautiful Homely Feel

This 40 plus licensed centre is performing extremely well in both enrolments and profitability and is waiting for a new owner to take over and manage. This is a very high quality centre with a four year ERO report. It may be possible to increase the license size further.

The current vendor does work in the centre so would need to be replaced with another teacher/manager if you are an investor owner. Alternatively, as an experienced teacher you would have a well-managed business to step into.

Profits last year were around \$152,000, after a salary of \$60,000 for the Manager providing an Owner Manager with an income close to \$210,000.

Asking Price is \$700,000.
