Be quick North Shore centres typically sell within a few weeks.

A great centre has come onto the market on the North Shore of Auckland. With a stable staffing in place and happy roll of currently around 80%, leaving room for growth.

The centre is very tidy and has just received a favourable ERO review giving the new purchaser 3 years before the next is due.

The vendors are very proud of the centre and want the new buyers to feel the same; they are happy to give a solid handover and work with them in anyway they need.
