

Freight and Logistics \$620K Cash Surplus

If you are on the lookout for an extremely profitable, niche freight and logistics business, look no further:

Central/North Auckland Offices

3 year average cash surplus circa \$620,000

Contracted revenue from customers

Excellent brand recognition and reputation

Consistent work from long term loyal customers

High GP and profit margins

Systems and processes in place to ensure ongoing success

Massive growth opportunity

High barriers to entry

The business has forged over many years an enviable name in the industry and as a result, has built long term contracted customers; many of whom provide ongoing work as well as excellent word of mouth referrals.

I have seen the figures and am pleased to say the business shows multiple years of consistent revenue, excellent gross profit, has very limited overheads and has produced excellent cash flow year on year.

With excellent systems and process in place, my vendor

works part time hours in the office and is able to leave the daily operations in the hands of the very capable, knowledgeable team... It is truly set up for continued success.

At present the business has enough work on the go to keep the team busy and produce good figures however, should a new owner wish to step things up a gear or two, there are plenty of new and existing opportunities to be unleashed.

My vendors are already committed to their retirement and wish to free up some time and cash, leaving the door open for someone who can think outside the box and enjoys dealing with people. All the necessary systems and process have been implemented to ensure the business continues to produce an incredible cash surplus year on year. Just enjoy the income or work the opportunity as this business could potentially grow exponentially.

Asking price \$1,995,000 (plus GST if any).
