

## Time to Be Your Own Boss? Make \$150K, NOW

MANUKAU, AUCKLAND It's not every day I'm fortunate enough to bring to market a solid business in the garden maintenance industry but this is one of them. After 30 years building a solid reputation in the Eastern Suburbs, the owner of this very well run, clean business is ready to hang up his chainsaw and semi-retire. Currently operated from a home base with no hefty warehouse leases required, this business can be maintained at the status quo providing a new owner with a good remuneration. However, if you invest a little more effort, substantial growth really is possible. While the business has built its reputation in the Eastern Suburbs, there is plenty of work across the whole Auckland region for a new owner to explore. Stable consistent profit over several years, the forecasted EBPITD is expected to be in excess of \$150K for 2019 (awaiting final year end accounts). Businesses of this type sell fast so my advice is don't wait, make your enquiry as soon as possible EBPITD: 2016 \$144,910 2017 \$144,666 2018 \$148,432 ASKING PRICE: \$275,000 which includes \$36,000 Fixed Assets at book value (approx. market value \$90K).
