GREAT BUSINESS @ GREAT PRICE

Profitable Manufacturing / Import & Installation

Cash Surplus to one working owner over the last 2 years
\$330K Plus P/A!

This profitable, well-established & reputable manufacturing/import and installation business is based in an ideal location in a commercial precinct in north Auckland.

The company offers comprehensive design solutions and custom manufactures and assembles their high-quality products in-house by an expert team. Jobs are then completed / installed at the customers site.

More recently the owner started importing components that will assist with reducing manufacturing times and lower fabrication costs as well as providing the customer base new offerings. This side of the business creates a very real opportunity ahead under new ownership.

The new owner could be the hands on type or a competent person with people/general management experience. There is a small team of skilled staff and contractors in place who have the ability and knowledge to embrace the variety of new projects that make this business so interesting.

There is plenty of forward work ahead and because the business has successfully completed such a large range of projects in recent years, the demand for their services remains strong.

Revenue coming into this business is well spread throughout the customer base who simply keep asking them to do more of what they do so well!

Excellent systems and staff are in place for accounting and quoting and a generous handover period is offered by the owner for a smooth transition.

Note: The cash surplus figure is based on EBPIDT.

Asking Price \$650,000 includes stock, equipment and vehicles.
