

Accounting Practice, Take a Look at These Numbers

Price SOLD
Ref BBS2601

This successful one partner Chartered Accountancy firm is located in the beautiful Bay of Plenty and operates out of bright modern offices providing a full-service practice to their significant client base.

With annual fees in excess of $1,200,000 and an adjusted EBITDA north of $400K per annum for the 2019 financial year, this is a rare opportunity indeed. It is important to my vendor as he considers retirement that the practice is left in good and experiences hands so if that sounds like you this is definitely worth a look.

Please note: This is the sale of a Going Concern and is NOT the sale of a book of fees. The successful purchaser will be expected to take over the lease, the staff and the systems and so this is reflected in the price.

Asking price $1,075,000
