Golden Opportunity with this Money Making Machine!

This is an excellent business model with huge demand for the product and a cash surplus to the working owner of over \$400k, and it continues to skyrocket! The current owner works approximately 20 hours per week that are entirely flexible providing the luxury of deciding when to work. A new owner has the option of continuing with the current successful business model or literally taking on the world with the proven concept - it's your choice. This industry has proven to grow year on year and demand is certainly increasing with the current economic climate. What are you waiting for? Call Paul now to find out more about this serious opportunity. Licensed REAA 2008 COPYRIGHT BARKER BUSINESS BROKERAGE 2011
