

$350K+ Cash Surplus - Unique Business Model

Are you looking for a solid company with great branding, good returns and excellent systems? Semi-managed requiring circa 20 hours per-week? plus cloud-based systems with the ability to work from home?

Established in 2011, this successful New Zealand owned and operated business is one with a difference. With excellent supply channels and phenomenal buying rates, the business has an edge over the competition, offering super low prices whilst achieving super high margins.

The business has a unique supply arrangement from two major brands, including a No.1 brand within the NZ and Australian market. There has been fantastic growth in the business and the last two years average cash surplus was *$350K plus, as well as further perks from owning the company.

The very capable manager oversees the 11 staff within the business and takes care of the day to day running. This is an excellent opportunity so enquire now to learn more.
