# MANUFACTURING BUSINESS

## Manufacturing, High Barrier To Entry

Auckland – Offers Over \$9M

Record sales with a High barrier to entry. Manufacturing High quality products while utilising state of the art machinery and selling to a strong New Zealand and International Blue Chip customer base.

We are told by the Vendor that this is one of the most technically advanced, modern equipped businesses of its type in Australasia with a dedicated team of knowledgeable, highly qualified staff including an experienced middle management team.

The business manufactures 'niche' products for a range of industries, selling to a wide variety of international and locally based customers with plenty of opportunity for growth. This business is now ready to fill the huge demand for their products while maintaining stringent high-quality standards.

With a history that spans more than 40 years, providing exceptional products and service, the management team are proud of what they have achieved. They tell us that the new owner will be in a great position to take over this business as it continues on its exciting journey.
