# RETIRING OWNER WORKS 20 HRS SMALL MANAGEABLE TEAM PROFITABLE

## Highly Profitable Service Biz, Retiring Owner

Retiring Owner works average of 20 hours per week!

Located in Auckland, this dynamic industrial services business is well established and is a standout player. FY19 EBPIDT exceeded \$1M and the 5-year average was \$970K+ so it's very profitable.

There is a highly experienced Project Manager who takes care of all of the hands-on work, organising the teams and generally sorting out the technical side of this busy business. With this person staying on it will enable the new owner to come in and learn the ropes while settling into the GM role working about 20 hours each week.

The owners have created strong company brand awareness within the wide range of industries they work in by providing exceptional service to a reliable customer base. There is an impressive revenue spread from a wide range of commercial and residential clients.

Utilising reliable, quality equipment and working from well set

up premises, this business is a step above the competition with its track record of success and proven day to day systems in place assisting with efficiency and providing the owners with peace of mind while adding to their desirability, as a preferred supplier.

There are experienced, reliable, industry certified staff and contractors on hand including team leaders, who take care of the physical day to day hands on work.

Don't Delay! This is an exceptional business model that has consistently reliable cashflow and lots of passive monthly revenue making this well worth consideration.

Asking Price \$2.8 Million - Includes Quality Assets and Vehicles at Book Value.
