If you are a buyer looking for that post Covid bargain, then this opportunity presents a very attractive proposition with further potential.

Grow your profits with this well setup manufacturing/wholesaling business with exceptional websites and industry leading advanced management software. After 6 years of growth, customisation and diversification the foundations and platform are in place and with the right guidance the operation is on the cusp of becoming a very profitable business. With excellent sales and now an increased GP through diversification into retail channels the business is ready for a new owner to take the reins and reap the rewards from the Vendors hard work.

The business is an easily run operation, boasting a solid customer base and an efficient team with excellent systems in place. This opportunity presents huge growth potential for a new owner to capitalise on their investment.

Easily managed with only three full-time experienced employees covering different roles within the company. The Vendor currently works approximately *25-30 hours per week

allowing for personal activities outside of the business.

With strong sales and increased profitability this innovative business model, with *leading edge order management software is basically on the market at less than the cost of the stock, the plant and websites.

Asking Price: $325,000 Which includes $150,000 stock and $120,000 plant and assets
