

Carpet Cleaning Franchise – Returns Over \$100k!

Own two of the best territories in this reputable premium carpet cleaning franchise.

The vendor has built up a solid clientele with the bulk of the work coming from repeat business. Increasing the turnover year on year this franchise and territory has a proven track record. With returns of over \$100K and easily grown with a little more marketing this is an attractive investment to any first time buyer or smart investor who wants a great return and the stability of a reputable franchise.

The business is currently being run by the vendor and a subcontractor with plenty of scope to increase this. Work is actually being turned away! Asking Price: \$180,000 including Stock and Plant.
