

Excellent Pizza Franchise

Please note, for confidentiality reasons this listing has been listed under our office address. This is one of the best Auckland opportunities within the franchise group at present. The chance is here for a new owner to take over a very well operated store with increasing sales and great turnover. The Vendors have done all the hard graft over the past two years developing staff and now have an excellent team in place which credits this stores success.

Although the economic downturn has taken a toll on many businesses in the retail sector, this business has maintained momentum through 2011-2012. The hard work and solid foundation is there so when New Zealand pulls out of the recession it would be expected that sales will increase to even higher levels. Located in a modern development with reasonable rent and excellent parking on one of the areas busiest streets, it has excellent access to the large surrounding residential and commercial area. If you're looking for a proven franchise that provides a sense of security to any buyer, this might be for you.

Asking price is \$375,000 Plus Stock This won't last so call me today! I will be in contact with the finer details of the business and this fantastic opportunity.
