

Fruit & Vege Shop with Buying Power – Whangaparaoa

Located on busy main road with good visibility and accessibility to passing traffic; surrounded by neighbouring complimentary retail shops such as a service station, liquor store, retail store, bakery etc. this fruit and vege shop is very long established with an excellent reputation for providing quality produce at very competitive prices... much better than those found in supermarkets. There is also virtually no direct competition in the surrounding area. Turnover averages approximately \$10,000 per week during the winter period and \$12,000+ per week in the recent months. The summer months with the availability and selection of popular produce results in a rise in turnover and profits. Currently operated by 2 staff and managed by the owner, this fruit and vege shop would be well suited to a husband and wife team or a family operation. The new owner(s) could reap the rewards of buying power as the current owner has recently joined forces with a large buying group. Cheap and very affordable rent at \$580 + GST per week adds to this businesses appeal... Asking only \$140,000 plus stock (estimated at \$10,000).
