

Highly Successful Manufacturer

*Cash Surplus approx. $520K for year ended December 2020.

Profit levels are exceptionally consistent year after year, with an average cash surplus of approx. $540K across the past five years.

This business is an extremely solid performer with a very positive future. It has built a great reputation for consistently producing and delivering top quality products while providing excellent service and maintaining competitive prices.

The production facilities are 'state of the art' and include a high level of automation. This is all backed by experienced capable employees and a strong management structure, meaning that the vendor's role is one of governance and management at 'arms-length'.

Almost no marketing is undertaken and there is no requirement to hunt for work.

The business maintains its sales momentum through its key client contracts, solid reputation and the ongoing focus on delivery and performance.
