Run Your Own Biz – High Growth Compliance Industry

Looking for an opportunity to run your own business in an industry where demand is rocketing? If you're good at paperwork and systems and relationships are a strength then this business provides huge potential to take a well established organisation with existing contracts to the next step.

Continued growth is assured as this relatively new industry becomes embedded in the fabric of New Zealand real estate, property, accounting and legal transactions.

The owner is selling for personal reasons and is happy to facilitate introductions to existing and potential clients. Key relationships are an important component in this industry and this well regarded business has those in spades.

After two full years of operation from a standing start, this business is now making a consistent monthly profit before shareholder drawings. Now it's time for a keen new operator to step in and carry on this business' success.

Asking Price: \$400,000.
