

## Business Is Booming – Gardening Gem In Central Auckland

- Price \$395,000
- Cash Surplus FY2021 \$186,000

If you're looking for an easily run, profitable business that provides some flexibility and a work life balance, this is your answer.

This well developed and easy to run niche gardening business will suit a wide range of buyers. There is a team of gardeners providing the services and the owner manages the business and looks after quotes and administration. You don't have to have a gardening or horticultural background, the owner doesn't; but you should believe in the importance of customer service and like dealing with people.

The business is very well positioned in its chosen gardening niche and has very well developed branding and marketing and is going from strength to strength. The business didn't just survive the covid turmoil of last year, it has grown and the year to date shows that the growth is continuing to build. Over 80% of turnover is from repeat customers with over 60% of that work being regular scheduled services.
