WELLINGTON BLOCK OF ACCOUNTING FEES

Retirement is approaching for my sole trader chartered accountant client, and so offered to the market is this block of fees with gross revenue of \$285,000.

With a loyal client base generating an average profit over the last three years of \$216,000 (before salaries) this is a good opportunity for any practitioner looking to buy a block of fees and tuck it into their current operation.

Currently operating out of offices on the Kapiti Coast and Wellington it is envisaged the lease of these premises will not be included in the sale but individual negotiation with the landlords may be possible if this is of interest to prospective purchasers. Please note, no staff are included in this sale and as this is not the sale of a going concern it will be subject to GST.

Asking price \$285,000 (plus GST if any).

If you are interested and would like more information about this business, please get in touch and I will send you a confidentiality agreement (CA) to sign or submit one online by clicking this link – www.barkerbusiness.co.nz/3166. Once the CA is returned, I will provide an Information Memorandum with more details.
