Wellington Accountancy Practice - $260k

Are you looking to grow your current Wellington based accountancy practice? Perhaps you're considering adding a Wellington office to your existing locations. Either way this is an opportunity not to be missed.

With the impending start to a new financial year the timing could not be better to purchase this established practice.

Based in Mt Cook with accounting fees of approximately $260k, the practice has one part time staff member to support a smooth operation and transition. We are also assured of a flexible hand over period by the vendor with a focus on client retention to ensure the ongoing success for any new owner.

Please note: This is the sale of a going concern and is not the sale of a book of fees. The successful purchaser will be expected to take over the lease, the staff as required and the systems, which is reflected in the price. If you are seeking your own accountancy practice with an established fee base to leverage or build on, then let's talk today.

Asking price $260,000.
