

Aluminium Business – Profits Up By 43%

Sensational ROI of 70% for a working owner.

Profits are up a massive 43% year on year for the owners of this successful aluminium product franchise, resulting in an outstanding Return on Investment of 70%.

The working owner of this business is generating an EBPIDT of \$258,000, representing a highly attractive return of 70% on the sale price of \$365,000. The stock component – all current, is \$90,000, making this business a huge value for money purchase.

This business is as good as it gets.

Handily located within 2 minutes of the motorway, this longstanding supplier of custom-made aluminium products is just 10km from Auckland City and employs two full-time skilled staff. The owner works full time in the business and his wife manages admin tasks on a minimal part-time basis. As a member of a franchise group with favourable conditions, the business has a strong pipeline of leads on a continuing basis.

The range of products provided by the business includes:
