A Lifestyle Change With Ophthalmology Practice Ready to Go

A well established Ophthalmology practice in the medical mile of one of New Zealand's most desirable lifestyle regions provides a superb opportunity to expand an existing practice or facilitate a warm entry for an aspiring practitioner looking to purchase and operate an already successful business. A long term lease is available for this practice in an under-serviced area with an ideal demographic make-up.

Features offered in the business are:

- Fully equipped ophthalmology practice with consultancy rooms and carparking on a standalone site in the Medical Mile, surrounded by clinical and medical practices;
- Fully equipped day stay surgical theatre (fully equipped for cataract surgery) with anaesthetic technician happy to continue part time work for a new owner;
- Access to extensive client database;
- Transitional support from current practitioner who is retiring;
- Capacity to sublease day stay surgical facility for other elective specialties.

As a further opportunity, two public appointments for

ophthalmologists are currently being advertised in this region.

The opportunity could also suit a joint partnership between an ophthalmologist and another clinical practice e.g. ear nose and throat, gynaecology, dermatology, faciomaxillary, vascular or gastro specialists.

This is a unique opportunity to hit the ground running with a fully equipped practice that is available immediately.

For more information about this business, please visit the Barker Business Brokerage website, search reference number 3318 and submit the online Confidentiality Agreement. Once Michelle receives your expression of interest she will be in touch.
