

Hamilton Block of Accounting Fees

A change in business direction for my sole trader – chartered accountant – client brings this block of fees of \$125,000 to the market.

With a loyal client base this is a good opportunity for a practitioner looking to buy a block of fees and tuck it into their current operation.

Currently operating out of offices in Hamilton, this is the sale of a client base only. Clients are not confined to Hamilton and are accustomed to working remotely with the current vendor. This provides the potential for practitioners outside Hamilton to consider this opportunity.

Asking price \$137,000.00 plus GST

If you are interested and would like more information about this business, please get in touch and I will send you a confidentiality agreement (CA) to sign. Once the CA is returned, I will provide an Information Memorandum with more details.
