

Kitchen Design, Manufacture and Installation – Excellent Earner, Great Entry Level Price

- \$150k annual profit
- \$295 purchase price

This efficient kitchen design, manufacture and installation business is a great entry level opportunity for a tradesman or woman wanting his or her own business.

The business has operated successfully for 16 years and has established a loyal clientele provided a good solid income to its husband-and-wife owners. As a light manufacturing business employing two full time staff, the business has a history of stable demand and consistent profitability.

The business experienced a dip in the 2021 year due to uncertainty initially generated by Covid, but bounced back strongly in the 2022 year to reflect pre-Covid trading.

The relatively new lease (one year into a 4 + 4 lease) in a spacious warehouse freely accessible to customers provides good conditions for a new owner to take over the business and continue its positive trading. With minimal investment in marketing (using only the “No Cowboys” website) and strong word of mouth referrals, the business is capable of formidable
