

Chartered Accountancy in Palmerston North

Are you a chartered accountant in an expansion mood? Perhaps you have spent time working for someone else in a CA office and feel now is the time to step out on your own. Either way this is an opportunity to be considered.

With the end of 2022 approaching fast, and accounting firms countrywide busier than ever, the timing could not be better to purchase this established Accounting and Business Advisory practice.

Based in Palmerston North, this chartered accounting practice is expected to generate fees of \$600,000 in the current financial year. With qualified and experienced staff operating out of a high-visibility office, this is an opportunity not to be missed. The vendor has assured us they will assist with a flexible and smooth transition, so client retention is maximised.

The sale is that of a going concern, with the successful purchaser expected to take over the lease, the staff as required, and the systems, which is reflected in the price.

If you are seeking your own accountancy practice with an established fee base to leverage or build on, then let's talk
