OWNER READY TO MOVE ON

We have a profitable well established tree care business for sale at a reduced asking price of just \$339,000 with possible vendor finance of \$100,000 for one year at no interest. This low price includes well maintained and fit for purpose vehicles and equipment which have a replacement cost of over the asking price.

Business is thriving, and its clients include owners of residential and lifestyle properties, commercial and development sites, golf resorts, hotels, councils, and Waka Kotahi.

It's profitable with the average surplus to the owner over six years of around \$220,000pa. One of these years the surplus was around \$370,000 and there is potential to do this every year by adding another two-man team. This business could well suit an existing contractor / landscaper / property business wanting to expand or an arborist already in town or wanting to move to one of NZ's fastest growing districts.
