Manufacturing with Highly Consistent Profits of \$180,000

Specialising in and totally dedicated to the design and manufacture of top-quality street and park furniture, this business is a very consistently profitable entity.

Many parks, reserves and community recreational areas showcase the visually pleasing and well manufactured products this business produces.

Closing in on 20 years of operating, this business has been able to broaden its scope, to be able to cater to a wide range of commercial Business to Business customers right across Auckland and the other regions of New Zealand.

All products are manufactured in house through two sites, one being a fully functional steel fabrication shop and the other a timber preparation and assembly shop. The products manufactured are high standard industrial strength and built to beat the elements of the New Zealand climate.

Having control of the whole manufacturing process allows the business to deliver on its promise of high quality, competitive pricing, and realistic lead times. This business comes complete with skilled staff and fully functional plant that
