

Wellington Accountancy Opportunity

Retirement is approaching for my Wellington based client, and so offered to the market is this successful accountancy practice with a proud history, well-established clientele and a stable staffing team.

A reliable and growing revenue stream of approximately \$1,000,000 makes this an exceptional investment, but with the vendor prepared to assist a new owner two days a week for the next 12 months, you can relax knowing client retention is in hand.

Call me now for more information, take this business to the next level, and reap the rewards with the help and support of a seasoned professional in the current director.

Asking price \$1,100,000.00 plus GST

If you are interested and would like more information about this business, please get in touch and I will send you a confidentiality agreement (CA) to sign. Once the CA is returned, I will provide an Information Memorandum with more details.
