

Home Based – Insulation Services – \$180,000

Seize a unique opportunity in the thriving insulation industry, perfect for those passionate about sustainable living and energy efficiency. With over a decade and a half of operational excellence, this business has carved a niche in providing top-tier insulation solutions across two key regions. Known for its commitment to quality and customer satisfaction, it offers a range of services tailored to enhance home comfort and meet rigorous environmental standards.

This venture stands out for its strategic focus on innovative insulation products, especially designed for existing structures, making it a leader in retrofit solutions. The business benefits from established distributorship agreements, ensuring a steady flow of high-demand products and a loyal customer base built on referrals and outstanding service.

Opportunities for growth are immense, thanks to recent regulatory changes requiring homes to meet specific insulation standards. The market is ripe for expansion, both in residential and untapped commercial sectors. No prior experience? No problem. Comprehensive training and support are part of the package, ensuring a smooth transition to new ownership.

Price \$180,000
