

Work Where You Want, When You Want, Desktop Investigations

Looking for a fast track to becoming a digital nomad? Live wherever you desire and earn a substantial income fully remotely. We have an established business opportunity waiting for you, capable of generating over \$150,000 per year for a hands-on owner.

Introducing Desktop Investigations, a specialised skip tracing enterprise. Curious about skip tracing? It's the professional practice of locating individuals who are missing or have defaulted on debt. Equipped with a dedicated team of experts, this business consistently delivers timely and cost-effective results for its clients.

Operating nationwide, this small but exceptional business operates in a lucrative niche with limited competition and a growing demand in the future economy. Currently, the owner works part-time hours primarily focused on quality control. However, we present you with the opportunity to step in as the new owner-operator, dedicating more time to contracted work, boosting profits, and enjoying an annual income exceeding \$150,000.

As the new owner, you can choose to continue utilising the

existing contractors or leverage their skills to expand the business further. Rest assured, the current vendor will provide comprehensive training and support, and prior experience is not required. Financial institutions will find it hard to resist lending for this business, as they themselves could potentially be clients.

Seize this chance to embrace the digital nomad lifestyle while running a successful business. Take advantage of the freedom to live anywhere and enjoy substantial earnings.

Asking: \$195,000.
