Strong Growth Through Recession...? You Bet!!!

Established 7 years ago, this manufacturing business quickly captivated domestic and commercial clientele with their unique and decorative interior design products. Proven to be very popular overseas, the owner's vision and foresight saw an opportunity and they went for it! Today the business is seen as a very strong established presence in the industry by producing personalised solutions for end users that are stylish, innovative and unique. Using the latest digital technology, the business creations cover a range of uses and add value to 1000's of homes, often our biggest asset as well as offices and commercial property. This business has shown tremendous growth in a short space of time as sales have gone from circa \$955,000 in 2010 to over \$2 Million in 2013, and has nowhere near reached its peak! The Ministry of Business, Innovation and Employment is predicting strong growth for construction sector jobs between 2013 – 2016. With this housing boom in mind, a golden opportunity awaits for a new owner purchase a business that has shown outstanding growth through the tough economic times faced since its inception. There is also the opportunity to expand throughout the rest of the county by adding to the 3 existing licensed areas. All manufacturing is done in the Auckland based facility by the well trained, skilled professional staff, resulting in the quick turnaround time, quality products and excellent
