Business Overview:

Seize the opportunity to own a standout construction-related manufacturing business located in South Auckland. With projections for a cash surplus surpassing \$790k in 2024, this enterprise is a beacon of financial robustness and stability.

Distinguished by its commitment to eco-friendly solutions, this operation offers an innovative and one-of-a-kind business model, essentially providing two businesses for the price of one.

Enjoy a steady and reliable workflow, backed by various sources and supported by a skilled, committed team. This offering includes invaluable machinery and quality assets, setting you up in an industry known for its high startup cost barrier to entry.

With a seasoned team and well-established systems, this business ensures solid cash flow and manageable expenses. Its history of consistent growth and increasing demand for sustainable construction materials solidify its market position.

This is a formidable business opportunity featuring a reputable brand, a tested business model, and a significant pipeline of long-term projects. The current owners are ready to assist the new owner in their journey, making this an excellent prospect for a driven entrepreneur.

Asking \$1M, the price includes \$850K in plant and stock. Don't let this prime South Auckland business slip away.
