With reliable teams of experienced contractors in place, business coming from referrals, repeat and account customers and proven systems in place to ensure great gross profit with limited overheads, this business produces a consistent cash flow platform.

The business shows multiple years of growing profits and has a very lengthy work pipeline generally exceeding 12 months. The owner has implemented all the necessary systems and processes that help make this one of the most recognisable heating providers in Auckland. With demand for their quality proven products, this business will continue to be a reputable

player in the industry.

This is a solid business with excellent returns, great branding, a proven business model, and long-term profits. With the Vendor wanting to help in any way possible to ensure the new owners' continued success, this is a dream business for someone with drive and ambition.

The asking price is \$590,000, including \$240k, of stock and assets.

If you are interested and would like more information about this business, please visit the Barker Business Brokerage website, search reference number 3594, and submit the online Confidentiality Agreement. Once Brett receives your expression of interest, he will be in touch regarding further information about this opportunity.
