This stunning little centre could easily be run from Auckland (or out of town) with a vendor visiting every few weeks or so, its well set up under management, the vendors have fully renovated the centre so it is a truly a turn key opportunity.

Typical EBIDTA multiples in this area currently would be 3.5 making this valued at circa \$840k.. the vendors are very keen to move abroad sooner vs later so we have priced it accordingly.

Asking Price: \$575,000
