With revenue increasing almost 40% in FY23 and remaining steady in FY24, it's the ideal time to step in and capitalise on a business that is through startup phase and running smoothly and effectively.

Key Highlights

- High cash flow business delivering world-class service and experiences to a wide range of clients.
- Diversified product offering to include online and offsite options, opening up many future growth opportunities.
- Top-rated escape room experience with excellent search engine position and premium brand position.
