

Fish & Chip Shop located at Popular Beach HOT SPOT

This long established takeaway business has secured itself the title of 'best fish & chips' destination in the area by locals and by popular online review sites. The shop is eye catching and positioned right on the main road opposite a beautiful East Coast beach just north of Auckland. Its awesome location makes it a 'must visit' food establishment for families and travellers who can then take away their order and go and enjoy the gorgeous beach views and various activities. Still with plenty of local trade during off peak season, the shop boasts excellent cash flow of XXX a week, however there is the opportunity to add to the weekly sales by opening 7 days a week rather than 6. The shops interior is attractive, clean and inviting, and there is convenient parking in the vicinity. This really is a great lifestyle choice - to be out of the hustle and bustle of Auckland, but still close enough to it that you capture many passing holiday makers. Easy to operate, the shop is ideal for a working couple, and you can get the kids to help during school holidays. The Vendor is happy to assist with training.
