

Chocolate Manufacturer + Retail with Strong Growth

Are you passionate about ethical food, retail, or food production? This well established and well-managed boutique ethical confectionery brand has carved out a sustainable and profitable market niche, with further potential for growth and expansion. The business operates a production facility as well as two profitable & managed retail stores and is a wholesale supplier to independent outlets and hotel chains.

With numerous product awards under its belt, the business has proven itself to be robust and resilient, with consistent demand for its “affordable luxury” products and sales growth, even through Covid and economic tightening.

Over the last three years the business has gone from strength to strength, achieving revenue growth of 44% and a cash surplus to the working owners of over \$200k+. With an engaged and loyal team, this business is an incredible opportunity for an existing manufacturer or retailer, or someone new to the industry looking for a proven brand.
