

Profitable Water Delivery Business With Huge Growth Potential

This family-owned water cartage and tank cleaning business has been servicing the Mangawhai region (north of Auckland) for decades, establishing a great network of retained commercial and residential customers.

The vendors have built a resilient operation that includes water delivery, tank cleaning and transportation that continues to capitalise on a fast-growing local population and ongoing demand. With no local reticulated water supply, the business services a large number of residential properties relying exclusively on tank water as well being the preferred supplier for the majority of commercial businesses and contractors.

Being the exclusive supplier off top quality water enables the business to lead the market locally with premium water that is in high demand, and the business has earned an excellent reputation for the purity of its water and its customer service.

Priced to sell at $365k it includes $200k of vehicles and well-maintained equipment.
