

Matakana Retail – Unique Opportunity – Act Quickly

This unique store selling beautiful gifts and lifestyle luxuries is truly one of a kind. Located in the picturesque and popular Matakana, this successful, well-managed store attracts a strong and ever-growing customer base of high-income locals, as well as capitalising on the huge influx of visitors on weekends and through the holidays. Having moved out of the area and on to other things, the vendors have priced the business to sell.

The store's unique market position and geographic location, together with a well curated range of stock underpinned by strong supplier relationships, has resulted in strong profits over the last 6 years. The current owners run the business with very light-touch management, easily able to step away for extended holidays - and now live remotely.

Returning an average EBIT of $165k+ from FY22-FY24, this business is an incredible opportunity for a new owner to step into a profitable managed business with plenty of opportunity to further increase returns.
