

Leading Accountancy Practice in Eastern North Island

We are pleased to present a rare opportunity to acquire a well-established chartered accountancy and business advisory practice in the eastern region of the North Island. With fees impressively more than \$2m this is a firm of substance with a profitability to match.

Situated in a well-known town, this practice features a team of experienced staff who have shown long-term commitment, ensuring smooth operations and a seamless transition for a new owner. The current partners are prepared to remain involved for an extended handover period, making this an attractive prospect for local practitioners and those aiming to expand into the Hawkes Bay, East Cape, and Poverty Bay areas.

This sale represents a going concern unless negotiated otherwise. The successful buyer will need to negotiate terms with the landlord and retain the existing staff and systems, all of which are factored into the sale price.
